# About me

I have over **20 years of marketing** and consulting experience in the luxury lifestyle, hospitality, wellbeing and beauty space.

I started my first lifestyle and boutique hotel company, in 2002 from my garden shed; my passion has been to unearth little hidden gems, boutique hotels, B&Bs and small luxury hotels, as well as all brands and products in the travel, beauty and luxury lifestyle arena. I have lived in France, Spain and Italy and speak all three languages. I have written and reviewed for lifestyle titles including House and Garden, Tatler, Suffolk Magazine, Dossier, Condé Nast Traveller, Sainsbury's Magazine and had my own travel column in Bury and West Suffolk magazine.

I look after and consult for small businesses and lifestyle brands that don't have big marketing budgets, who don't have time to do the marketing themselves and who don't want to spend a fortune on representation companies.

Lastly, I only work with places, brands and products that **I genuinely LOVE**. My success is your success.
